

# How to Follow a Standard

### Step 1:

Visit the ULSE Collaborative Standards Development System (CSDS) and create an account (csds.ul.com)

#### Step 2:

Once your account is active, select 'TC Call for Members' under the TC Info drop-down menu in the top right of the screen.

# How to Follow a Standard

Englessed	Proposale - 10 Info - General Info - Resources - Support - Caliaborative Standards Davelopment System (CSDS)		
<ul> <li>Dashboard</li> <li>Work Areas</li> </ul>	TC Call for Members		
A Meetings	List of UL's Tachnical Committees (TCs) ( Search by TC Nome or Number		
Proposal Requests	Itamis per poge 20 « < 1 of 26 > >> Total Results: 518		
Admin Center	TC         Standards Covered           No.         Ct Name         Standards Covered           0004         Armored Cable         UL 4. Standard for Armored Cable		
	UL 1582. Meta-Ciod Cobles		

# Step 3:

Search for the standard number using the main search bar at the top of the page

		Proposais * TC Into * General Into	<ul> <li>resources - subbr</li> </ul>
Dapagement	Collaborative Standards Development System (CSDS)		Search Q 🔸
shboard	Standard		
irk Areas	standard		● 🖻 🚨 🗃 🤅
etings	1569	Include Archived editions	Follow this Standard
Ū	Listed below are all areas you currently have access to for your search	on UL 1569 Ed. 5 - Metal-Clad Cables	$\smile$
posal Requests	Proposal Request Area (9) +		
TCs	Work Areas Available (3) -		
dmin Center	Meetings Available (0) +		
	TC Info (I) 🔹		

# Step 4:

From the standard's page, click "Follow this Standard"

## Quick Tip:

To unfollow a standard, you can easily click on (1) Account, and (2) My Standards, then (3) update your following accordingly

## Step 5:

Once you follow a standard, you will automatically be added to it's future work areas.
